

Valley Springs Middle School Home of the Rams!

Welcome to the 2019-2020 academic year! The Student and Parent Guide has been prepared to help you have a successful educational experience. It provides important information about policies, activities, and organizations, and serves as an organizational tool. We sincerely hope you will use it often. It is the responsibility of the student to review this Student and Parent Guide with his/her parent(s) or guardian(s) so that everyone is aware of the information contained. Should you have questions, please do not hesitate to call us. Know that we are always available to you and welcome your suggestions.

SCHOOL EXPECTATIONS

Valley Springs, a middle school of approximately 650 students, is located in the ever-growing south end of Buncombe County. With a diverse population and an incredible staff, Valley Springs regularly leads Buncombe County's middle schools in academic growth.

Our mission is to create a safe, respectful, nurturing environment to inspire all students to discover themselves as 21st Century learners. Our expectations, which apply to both students and staff, are simple:

- Be prepared for each day's activities;
- Put forth effort and time into your work;
- Be respectful of yourself, others, and the school environment;
- Strive for success in all you do.

Further information about expectations are posted on our PBIS Matrix.

Daily, all students have the chance to grow socially, emotionally, and educationally at Valley Springs. Fortunately, our students take full advantage of this opportunity.

Valley Springs RAMS

The expectations are simple. How and what each principle looks like depends on your setting and/or situation. Refer to the school matrix and your classroom teachers for more specific expectations.

The general school expectations are as follows:

Responsible

- ❖ Be prepared for each day's activities.

Achieve

- ❖ Put forth effort and time into your work.

Mindful

- ❖ Be aware of yourself, others and the school environment.

Strive

- ❖ Strive for success in all you do.

CHARACTERISTICS OF A MIDDLE SCHOOL

Middle schools include one or more of the following in their program:

1. Interdisciplinary Teacher Organization

"Interdisciplinary" means that the teachers are from different subject areas. Groups of teachers share the same students and the responsibility for planning the instruction in more than one area of the curriculum.

2. Skills through Exploration

Repeating what students did in elementary school is not wise. Exploratory curricula are the keys to skill building in middle school.

3. Block Schedule

Instructional time is organized differently in middle school. The middle school day is divided into several large blocks of time controlled jointly by teachers and administration; it is often called a *block schedule*.

4. Team Areas

Middle schools do not have departments. They have academic teams where teachers and the students spend most of their instructional day.

5. Interest-Based Activities

When it comes to extracurricular opportunities like athletics, clubs, and other special activities, middle schools do not require that everyone do everything. Interested participation is the key. When students are involved in extracurricular activities they strengthen our school community.

Instructional Time

Teachers are involved with their students and work closely with other teachers to produce challenging and exciting curricula. The day, the building, the grouping, and the teaching are organized to fit student needs.

Open School

Valley Springs is an open school. Parents are encouraged to visit the school, classes, and speak to administrators and counselors concerning any problems that arise. All visitors are welcomed; however, for security purposes you must stop by the office for a visitor's pass.

CURRICULUM

At Valley Springs, we emphasize a positive and rigorous instructional environment. Our educators provide a solid instructional place for each student to well transition from intermediate to middle school. Additionally, they provide the academic rigor needed to prepare students for their future transition to high school. Teachers will use all resources available to help students reach their highest academic potential.

Because it is important that students think of education as a lifelong process, Valley Springs emphasizes basic skills as well as those things needed for future education and employment.

Valley Springs has a block schedule with all the students taking four core subjects daily: English Language Arts, Math, Science, and Social Studies. The use of technology is emphasized in all areas of the curriculum. Classroom teachers incorporate computer skills in their classes.

In addition to these subjects, all students are required to take one semester (two nine weeks) of Health and Physical Education.

Valley Springs also offers electives classes to our students. These are: Art, Band, Chorus, Project Lead the Way, Strings, Spanish, Family Consumer Science, and Drama.

STUDENT DISCIPLINE

Valley Springs administration strives to maintain consistency and equity when assigning consequences for students who receive disciplinary referrals. All administrative decisions are made in compliance with Buncombe County Schools Board Policies 4300: Student Behavior Policies; and 4302: School Plan for Management of Student Behavior. Potential consequences for minor violations and serious violations can be found in Policy 4302 by visiting: www.buncombeschools.org

More information related to student behavior and consequences can be found under relevant headings throughout this handbook. Additionally, for equitable purposes, the Student Discipline Matrix Chart on the last page of this handbook lists consequences for inappropriate actions.

ABSENCES AND LEAVING EARLY

If a student is absent, they should bring a note from their parents or guardians on the day of their return to their homeroom teacher. The Valley Springs Middle School Absence Policy states that a written excuse must be presented to the homeroom teacher within three days after the last absence. **If a written excuse is not received by the third day, the absence(s) will be coded as unexcused.**

Students are responsible for making up any work that is missed. For extended excused absences, assignments may be requested through the school office (after the third absence) and picked up by a parent. Please remember that excessive absences, excused or unexcused, are detrimental and should be avoided. **Valley Springs Middle School will file truancy charges on the parents or guardians on a student's 15th absence.**

If a student needs to leave early for any reason, parents must come to the main office to sign the student out of school. To avoid interrupting classes, all students should bring a note from their parents and turn it in to their homeroom teacher during first block. **To be counted for the day, students must stay until 11:15 a.m.** No student can leave school grounds during school hours without written permission from parents. Doing so will result in out of school suspension.

ACCIDENTS

Accidents do happen. If a student is injured during the school day, it is important that they report their injury to their teacher or coach immediately. School officials will make every effort to contact a parent or guardian if medical attention is necessary. Please keep the school informed of any change in phone number or emergency contacts.

ALCOHOL, NARCOTICS, ILLEGAL DRUGS

It is illegal for any student, teacher, faculty or staff member to possess, use, transit, or be under the influence of any drug, alcoholic beverage, or intoxicant of any kind (1) on the school campus, before or after school hours; (2) away from the school premises at any school sponsored event; (3) at school bus stops or on any school bus. Students involved in alcohol, narcotics, or illegal drugs will be referred to law enforcement and immediately out of school suspended. Valley Springs will take whatever steps are necessary to have a drug and alcohol-free school.

A violation of the alcohol and drug policy will result in the student being **suspended for up to 10 days**. A second violation of this policy may result in the student being recommended to the Discipline Hearing Board as described in Board Policy #4370. The Hearing Board may recommend a long-term suspension, 365 – day suspension or expulsion.

ARRIVAL TO/DEPARTURE FROM SCHOOL - CAR RIDERS

Parents who bring their children to school are asked to bring them to drop off at the back of the building no later than 7:35. Students are not to be dropped off in front of the building prior to 7:40. Students who are dropped off in the front of the building are subject to disciplinary action. If a student is meeting with a teacher before school, a morning pass from the teacher is required.

Car riders who are not picked up by 3:00 p.m. will be taken to the covered area at the front of the school. No students should be picked up in the front of the building before 3:00.

ARRIVALS - LATE TO SCHOOL

There may be times students cannot be at school by 7:45 a.m. due to medical, dental, or other appointments. **Parents who bring their children to school after this time should accompany them to the lobby to sign.** Upon a student's arrival, an appointment slip from your doctor or dentist should be given to the receptionist. This is necessary to keep student attendance records accurately. For all other tardies, parents may send a note explaining the tardiness. Following this procedure will facilitate

getting a student into class quickly and prevent losing even more academic time.

ATHLETIC PARTICIPATION

Valley Springs Middle School, Home of the Rams, is a member of the French Broad Middle School Athletic Conference. This conference includes the following schools:

Asheville Middle	Owen Middle
Cane Creek Middle	North Buncombe Middle
Enka Middle	Reynolds Middle
Erwin Middle	Valley Springs Middle

Our teams compete in the following athletic events: Football, Volleyball, Soccer, Basketball, Softball, Baseball, Tennis, Cheerleading, Cross Country, Track, Wrestling, and Golf.

The opportunity to be a member of all these teams are open to all students.

Coaches will conduct tryouts for each sport at the beginning of each season. Students who try out and do not make one of our teams are encouraged to participate in the South Buncombe or the Asheville Parks and Recreation Sports Programs to continue developing their athletic skills. **Continued hard work and participation may make them even better athletes.**

Each athlete and cheerleader must have a physical examination by a doctor and be deemed healthy and fit enough to participate in interscholastic sports. In addition to the physical, each athlete must register on Family ID prior to the start of their sports season. The link can be found on the Valley Springs website under the Athletics tab. Please click on "Mandatory Athletic Forms" and follow the website instructions. Athletes must also have school insurance, private insurance, or a waiver of insurance before being allowed to participate. The physical is only valid for one (1) year from the date of the physical. All athletes must pay a one (1) time fee to cover transportation and insurance.

Athletes are required to maintain passing grades in all six (6) classes and be in attendance at least 85 percent of the time. All sports have the same eligibility requirements.

ATTENDANCE POLICY FOR BUNCOMBE COUNTY SCHOOLS GRADES 7-8

The Buncombe County Board of Education believes that regular school attendance is of crucial importance for educational achievement, that learning experiences that occur in the classroom are essential components of the learning process, that time lost from class tends to be irretrievable in terms of opportunity for instructional interaction, and, therefore, that each student should attend school every

day. The State of North Carolina requires that every child in the State between the ages of seven (7) (or younger if enrolled) and sixteen (16) attend school. Further, the Board affirms that the primary responsibility for regular attendance resides with the parents/guardians and the individual student.

Students are expected to arrive on time and remain in school the full day. Tardies and early dismissals cause students to miss important information and are strongly discouraged. Five unexcused tardies and/or early dismissals will be equated to one day of absence for the purpose of this policy. The school attendance team will develop appropriate interventions for students who are chronically tardy or who leave early. Tardies and early dismissals will be considered excused for the same reasons allowed for excused absences.

The Board shall adhere to the North Carolina General Statutes pertaining to student attendance except to the extent this policy imposes stricter regulations. Furthermore, the Board is committed to the implementation of a student attendance policy that is nondiscriminatory, discourages dropouts, and encourages regular attendance.

Middle School Grades 7-8

Middle school students in grades 7-8 may only have a maximum combined total of fourteen (14) excused and unexcused absences per school year. Any absences over fourteen (14) must be made up in accordance with the school's Attendance Make-up Program (see 4400-R). Students must be in attendance one half (1/2) of the day to be counted present for the day. For any courses resulting in high school credit, students must follow attendance rules for High School grades 9-12.

LAWFUL (EXCUSED) ABSENCES

When a student must miss school, the parent or legal guardian must supply documentation regarding the reason for the absence to the school upon the student's return to school. Absences are listed as unexcused until documentation is received. Documentation will not be accepted after thirty (30) days without prior approval from a school administrator or the attendance team. Absences due to extended illnesses generally require a statement from a physician if there is a history of chronic absences. As soon as a parent anticipates a student's extended absence because of a severe, prolonged, or chronic illness under a physician's care, the parent shall notify the principal. The principal shall make arrangements for homebound/hospital-bound, or other appropriate instruction following procedures outlined by Special Services homebound guidelines. In the case of excused absences and short-term out-of-school suspensions, the student will be permitted to make up

any tests or other work missed. (See also policy 4351, Short-Term Suspension.) The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period. An absence may be excused for any of the following reasons.

1. Personal illness or injury that makes the student physically unable to attend school.
2. Isolation ordered by the local health officer or the State Board of Health.
3. Death in the immediate family.
4. Medical or dental appointment.
5. Participation under subpoena as a witness in a court proceeding.
6. At least two (2) days of excused absences must be allowed each academic year for religious observances required by the faith of a student or a student's parents.
7. Participation in a valid educational opportunity, such as travel or service as a legislative or Governor's page, with prior approval from the principal.
8. Pregnancy and related conditions or parenting, when medically necessary.
9. A student whose parent or legal guardian (a) is an active duty member of the uniformed services, as defined by policy 4050, Children of Military Families; and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting will be granted additional excused absences at the discretion of the superintendent or designee to visit with his or her parent or legal guardian.

There will be an Attendance Summer School for students who miss 15 or more days of school. There is a fee for this summer school and no transportation is provided. During the attendance summer school, absences, tardiness, or disruptive behavior will result in dismissal from the summer school program and no credit will be given.

Tardy to Class/School Policy and Procedures

If a student is tardy to school for any reason, the they must go to the Main Office to sign in. Excessive tardies will result in referral to the office and appropriate corrective action.

Students who are tardy to class disrupt teaching and learning. If it is determined that the student is present at school with adequate time to be in attendance for first block, this will be treated as a tardy to class. Students tardy to school will receive a timed/dated Lobby Guard slip and will be admitted to class.

There are five minutes between all classes. Students are encouraged to plan, organize lockers, and think ahead as to not be tardy.

When the bell rings, teachers begin teaching immediately. Some of the most critical instruction is in the first ten minutes of class. Tardy students not only miss this critical instructional time but disrupt the flow of the class.

Parents and guardians, please read and discuss this policy with your child. Homeroom and classroom teachers will thoroughly cover the policy with students.

- ❖ All students arriving to school after 7:45 **MUST BE SIGNED IN AT THE FRONT DESK BY A PARENT OR GUARDIAN.**

The student will be given an admission slip.

Administration will discipline as follows:

- ❖ Lunch Detention will be assigned for the 6th tardy to school. After School Detention will be assigned for 7th to 10th tardy to school. **TARDIES BEYOND 6 MAY RESULT IN LOSS OF FIELD TRIP OR DANCE PRIVILEGES.**
- ❖ On every fifth tardy, a student will be assigned either an hour before or after school detention. School transportation will not be provided.
- ❖ If a student does not serve their hour detention, the student will have to serve a full day of ISS.
- ❖ **Administration reserves the right to require attendance summer school to make up time for abuse of the tardy policy.**

BOOK BAGS

Book bags are to be left in the lockers from 7:40 a.m. until the end of the school day. You are not to use them to carry books to classes. Book bags create a safety hazard in the halls and hinder student traffic flow. Students will have enough time to visit their locker and secure books which they will need for the next class. It is not necessary for any student to visit their locker during class. Rolling book bags are not allowed at school.

BUS REGULATIONS

Our primary concern is to get students to and from school safely. To maintain student safety, the following rules must always be followed:

- ❖ Always stay off the roadway while waiting for the bus.
- ❖ Wait for the bus to come to a complete stop before loading or unloading. Be sure the stop arm and stop sign are extended and the driver has given permission.
- ❖ Leave the bus only with the consent of the driver.

- ❖ Always enter or leave the bus at the front door; except in cases of emergency.
- ❖ Always keep head and hands inside the bus window.
- ❖ Cross the roadway in front of the bus and within sight and sound of the driver. Students are expected to obey the driver promptly and respectfully. **Always look both ways. Never assume that drivers of cars see you. Remove earbuds/headphones when boarding and exiting the bus to hear oncoming traffic.**
- ❖ Students should conduct themselves on the bus as defined by the PBIS matrix.
- ❖ Students are expected to occupy the seat assigned by the driver or administration.
- ❖ Pens, pencils, and other sharp objects must always be stored in book bags or pockets.
- ❖ Food or drinks are not allowed.
- ❖ Avoid delaying the bus schedule by always arriving to your designated stop on time.
- ❖ Fighting, smoking, tobacco, and alcohol are not allowed.
- ❖ Avoid tampering with or vandalizing the bus.
- ❖ Avoid playing, throwing any objects, or distracting the driver's attention.
- ❖ Observe established safety rules and regulations made by the State Department of Public Instruction.

Any student found to be in violation of any of the expectations for bus riders will receive bus suspension or out of school suspension (OSS).

Please remember that bus service is a privilege, not a right. You must follow the rules of proper conduct or you will be suspended from the bus and your parents will have to provide transportation for you. Depending upon the severity of the incident, you could also be suspended from school. Per General Statute 14-132.2: (a) No person shall unlawfully and willfully demolish, destroy, deface, injure, burn or damage any public-school bus or public-school activity bus.

(b) No person shall enter a public-school bus or public-school activity bus after being forbidden to do so by the authorized school bus driver or the school principal.

(c) Any occupant of a public-school bus or public-school activity bus who refuses to leave upon demand of the authorized driver or school principal of the school shall be guilty of a Class 1 misdemeanor. Any person who unlawfully and willfully stops, impedes, delays, or detains any public-school bus or public-school activity bus shall be guilty of a Class 1 misdemeanor.

You are to ride the bus to which you are assigned. If an emergency arises and you need to ride a different

bus or get off at a different stop, your parent/guardian must send a note. The note must be taken to the office in the morning to be approved. Bus changes will not be accepted unless they are submitted in writing. Valley Springs students are not allowed on campus of Koontz Intermediate before or after school.

CAFETERIA

Excellent meals are served in the school cafeteria. The lunch is served at designated times. Breakfast is served from 6:45 a.m. to 7:35 a.m. If participating in school breakfast, students are to report to the cafeteria upon arrival to school.

CAFETERIA GUIDELINES

The Valley Springs Cafeteria Staff works hard to provide you with nutritious food. Always be polite and considerate of them. Take time to smile and say hello to them as you go through the line. They enjoy seeing you each day.

The following guidelines will help all students and school personnel enjoy the cafeteria:

- ❖ Students should remain seated in their designated area unless instructed otherwise by the teacher.
- ❖ Running, throwing objects, talking loudly, or noise making are not allowed.
- ❖ Students should not leave the cafeteria except in case of an emergency.
- ❖ Students may only enter the cafeteria line once.
- ❖ Students are responsible for returning trays, dishes, and trash to the appropriate areas.
- ❖ Students should report to the back of the line upon entering the cafeteria.
- ❖ Food may not be charged in the cafeteria.
- ❖ Classes are responsible for cleaning the tables and sweeping their area.
- ❖ **No outside food is allowed in the cafeteria.**

Lunch Procedures: Students will use their student number to purchase lunch. This individual student number is for the sole use of that student only. Use of another student's number is not acceptable and will result in disciplinary action.

CO-CURRICULAR ACTIVITIES

Participation in our athletic programs, club programs, and other school activities will add richness to students' middle school experience. Students will have opportunities to interact with teachers, coaches, and fellow students in cooperative, team activities. Students who are involved in co-curricular activities enjoy school more. Equally, because of special skills

learned through teamwork and shared goals, students tend to be more successful in their careers later in life.

ATHLETICS

Baseball
Basketball
Cheerleading
Cross Country
Golf
Soccer
Softball
Tennis
Track
Football
Volleyball
Wrestling

ACTIVITIES

Battle of the Books
Chess Club
Envirothon
Fellowship of Christian Athletes
Math Counts
Rambassadors
Student Council
Yearbook

If involved in these activities, students will be told in advance by the staff member in charge exactly what time that activity will end. **Parents are asked to be at Valley Springs to promptly pick up their students.** Teachers, much like parents, will have already worked a full eight-hour day prior to the after-school activity. Likewise, teachers also have their own family responsibilities. It is unfair for teachers to miss time away from their families to accommodate students when parents do not arrive on-time for pick up.

CONFERENCES

Parent conferences with administration, counselor, teachers, specialists, and others are welcomed. Parents can arrange conferences by calling the Valley Springs Main Office (828-654-1785). If you are scheduled for a conference, please call if you are delayed or find that you cannot attend.

COUNSELING

There are two school counselors: Mrs. Anthony, 7th Grade; Mrs. Bush, 8th Grade. The Counseling Department is located near the PEP Wing. Counselors are available to any student in the school. Listed below are some of the services provided by the counseling department at Valley Springs:

- ❖ Individual and group counseling to students with a variety of concerns.
- ❖ Classroom lessons on topics such as: bullying, tolerance, and career exploration.
- ❖ Consultation with parents, teachers, and community agencies to help students.
- ❖ Planning school-wide activities.
- ❖ Assist in crisis situations.
- ❖ Facilitate transition from intermediate school and prepare students for high school.

In case of an emergency, student should obtain a pass from their teacher and report to the counseling office.

CUMULATIVE RECORDS

Parents have the right to view their student's cumulative record at a mutually convenient time with the appropriate grade level school counselor. For parents interested in doing this, please call and make an appointment.

Parents also have the right to "challenge" what they feel is unfair information found in the cumulative record. This challenge should be made in writing directly to the principal.

DANCES

Dances will be held during the school year. All school rules remain in effect. Students are not allowed to attend dances if they have been assigned Bus Suspension, ISS/OSS, or if they owe money for fundraising, lunch, or library materials. Only Valley Springs students may attend. All students are expected to be picked up at the designated time. **An extreme delay may result in loss of attendance at future dances.** Beginning and ending time for dances will be announced on the permission slip and parents acknowledge responsibility for picking up their student when they sign the required permission slip.

DELAYED SCHOOL OPENING

In cases of inclement weather, please listen to the radio or television for instructions or visit the BCS Webpage.

DRESS CODE

Students are expected to dress in a manner that is conducive to learning. While many types of clothing are appropriate for more casual settings, we expect all students to dress appropriately during school and school sponsored activities.

1. Undergarments must always be covered.
2. Cleavage may not be exposed; tops must fit appropriately.
3. Straps on shirts must be at least two inches wide. Tube tops, halter tops, crop tops, backless tops, and strapless off the shoulder tops are not permitted.
4. Shorts/skirts must be at least mid-thigh. It is a violation if the shorts/skirts rise higher than fingertips when standing with arms by side.
5. Pajama type clothing is not permitted.
6. Students are prohibited from wearing any metal chains or metal-spiked apparel and accessories.
7. Proper footwear must always be worn. Shoes must be laced and tied properly. Gym shoes specifically for PE must be worn during PE. Heelys are not permitted.

8. (A) Pants **must** be worn around the waist and not “sag” below the **top** of the hip bone.

(B) Pants that are excessively baggy, which could be used to conceal contraband, are not permitted.

(C) Holes/Slits are not permitted above fingertips when standing with arms by side.

9. Excessively long shirts/outerwear can conceal sagging pants and contraband and are not permitted.

10. Hat, scarves, headbands, sweatbands, bandannas, and picks are not permitted unless for legitimate religious observances (note required). Hood sweatshirts are not allowed to be worn with the hood up.

11. No item of clothing, emblems, insignias, or badges, may be worn that is suggestive of hate, violence, inappropriate language, alcohol, tobacco, drugs, or connected in any way to gang dress, or is sexual in nature, or that defames or insults any person(s) or groups.

12. Sunglasses may not be worn inside the building.

13. Slits, shavings, or markings in eyebrows are not allowed.

Consequences:

Dress code violations are disruptive to our mission, which is education. When forced to address violations of the dress code, students miss class and valuable learning.

Teachers and administrators will write a referral for dress code violations. Consequences for repeated violations increase with each offense.

1st Offense - Student must correct the violation prior to returning to class.*

2nd Offense – 1 Day ISS AND Student must change into PE Uniform or picked up by their parent (this will be an unexcused absence).

3rd Offense – 1 Day OSS; Parent Pick-Up

***Students will be given the option to change into P.E. uniform the school has available or to be picked up by their parent.**

EARLY DISMISSALS

Students will be allowed to leave school early with parental permission for such things as doctor and dental appointments, or for other excusable reasons.

For a student to be excused early, the following procedure should be followed:

1. Parent/guardian should send a note for the homeroom teacher with the following information:

- The time and reason for early dismissal.
- The name of the person picking the student up.
- A telephone number where they can be

reached to answer questions/verify a note.

-Parent must come in to sign student out.

2. **If a student becomes ill at school**, they are to advise their teacher and secure a hall pass to go to the office. There, the student may call their parent(s) and ask to be picked up.

3. Students leaving between 2:00-2:30 creates disruption to the educational learning environment. Students will not be dismissed from the lobby after 2:15. Students will be called to the lobby when afternoon announcements are made.

ELECTRONIC DEVICES/CELL PHONES

Students must keep their electronic devices including, cell phones, turned off during the instructional day and in their locker.

Valley Springs Middle School staff are not responsible for any lost electronic devices.

Failure to abide by these rules at Valley Springs Middle School will result in the following consequences: A discipline referral will be written for each offense.

1st Offense - The device is confiscated and will be returned to the parent/guardian only.

2nd Offense - The device is confiscated and will be returned to the parent/guardian only.

3rd Offense - The device is confiscated and kept in the office to be returned to the parent/guardian only and the student will be assigned one days of ISS.

4th Offense - The device is confiscated and kept in the office to be returned to the parent/guardian. The student will serve 1 day of out of school suspension for this 4th offense and each additional offense hereafter.

FERPA

The Family Educational Rights and Privacy Act (FERPA) information can be found on the Valley Springs website or www.buncombeschools.org.

FIELD TRIPS

When students attend field trips or any other school activities, they are expected to abide by the same policies enforced during the regular school day. Students must always turn in a signed parental consent form before going on field trips. Administration reserves the right to revoke any student’s field trip privileges for any length of time at any point during the academic year.

FIRE AND TORNADO DRILLS

Fire and tornado drills take place at regular intervals as required by law. They are an important safety precaution. The fire drill will be signaled by a repeated ringing of the fire bell. The school will be notified of a tornado drill via the intercom system. It is essential that all students and school personnel obey administrative instructions promptly.

During a fire drill, it is essential that all students obey their teachers and clear the building by the prescribed route as quickly as possible once the signal is given. Students are to exit the building in an orderly fashion and in a single file to their designated area. There is **NO TALKING** from the time the signal is given until students return to their classroom.

Administration will announce an all clear signal via the intercom at which point students and school personnel may return to the building.

FORGOTTEN ITEMS

Students are expected to be prepared for each day's activities. Students are responsible for checking the office to see if forgotten items have been brought to school. This includes homework, lunch, PE uniforms, athletic equipment, money, projects, band instruments, etc. **CLASSES WILL NOT BE INTERRUPTED** for forgotten items. All lunch money brought to school must be brought to the Main Office where it will be sealed in an envelope and taken to the cafeteria by office staff.

FUND RAISING

Money generated from fund raising allows student organizations to do many things, which otherwise they would be unable to do. Part of the money each student raises goes into the team account of which that student is a member. The money is then spent in ways that return that money to the student through field trip costs, incentives for grades and attendance, guest speakers, supplementary materials, etc.

GRADES

Grades are reported each nine weeks. Progress reports are sent home midway through each grading period.

90 - 100	=	A
80 - 89	=	B
70 - 79	=	C
60 - 69	=	D
0 - 59	=	F

HONOR CODE

The following are honor code violations:

- Using or possessing, as well as giving or receiving unauthorized materials (notes, textbook, cheat sheet, electronic devices) in a testing situation.
- Roving eyes or talking of any kind during a testing situation.
- Giving or sharing information on a test, quiz, homework, project, etc.
- Copying another student's work of any kind or allowing students to copy your work.
- Passing on or receiving questions and/or definite answers to tests or quizzes.
- Tampering with teachers' grades or records.
- Stealing and or selling quizzes or exams.
- Turning in work for credit that is not one's own (this includes, but is not limited to, information from the internet).
- Submitting text that has been cut-and-pasted from the internet without attribution.
- Sharing or copying information from another student's computer or mobile device.
- Plagiarism of any kind is strictly prohibited.
- Paraphrasing without attribution is also considered plagiarism.

The following consequences will apply when an honor code violation occurs across all classes:

- First offense – All parties involved will receive a zero for the assignment without the opportunity to retake. Parents will be notified, and a note will be placed in the teacher PowerSchool gradebook indicating cheating occurred to explain the zero.
- Second offense – Office referral resulting in disciplinary consequences and a zero for the assignment(s).

IMMUNIZATIONS

General Statute requires that every child be immunized against diphtheria, tetanus, whooping cough, poliomyelitis, red measles, mumps, rubella, hemophilus, hepatitis B and varicella. No student may attend any grade (PreK-12) without presenting a certificate of immunization. The parent has 30 calendar days from the student's first day of attendance to show proof of the required immunizations.

A booster dose of Tdap vaccine is required of all children before entering 7th grade that are enrolled in public school, on or after August 1, 2008 if 5 years or more have passed since the last dose of tetanus-containing vaccine. The Meningococcal vaccine is required of all 7th grade students on or after July 1, 2015.

LOCKERS

Lockers are provided by the school for student use. Lockers remain the property of the school and the county. Faculty and staff respect the privacy of the student; however, occasionally student lockers will be randomly checked. Lockers are not a total possession of the students, but a joint possession of the school and the student. Lockers will be searched if there is a reasonable suspicion that the student has an item which is illegal to possess on school grounds. Students are responsible for keeping lockers closed and locked during the school day. Students should never give out their locker combination or share a locker with others.

LOST AND FOUND

Items found on the buses and at school should be turned in to the Lost and Found area in the cafeteria. Every Friday unclaimed items will be donated to a charitable organization

MAINTENANCE OF SCHOOL PROPERTY

Students are expected to be respectful of all school property. Students may be financially responsible for damage done to school and school property.

MEDIA CENTER

The media center provides access to a variety of resources including books, AV, online databases, and video production. Teachers schedule classes in the media center and allow students to check out books on a flexible schedule. The media center is available for student and staff use before, during and after school. Students should follow these guidelines when visiting the media center:

- Before School – students need a pass.
- During the School Day - Students need a pass.
- After School - Students need a pass.

Circulation

- 3 books for up to 2 weeks.
- Renewals allowed unless book is on hold.

BCS Student Device

The overriding goal of the Digital Learning Initiative is to prepare students for their tomorrow by leveling the playing field and creating a highly collaborative and engaging learning experience for students and teachers.

Procedures and Information for Students and Parents

The Buncombe County Schools (BCS) 1:1 device will allow student access to educational applications, web-based tools, and many other useful resources. All users will be expected to follow Buncombe County Schools' **Technology Responsible Use policy** (3225/4312/7320) and **Internet Safety policy** (3226/4205) as well as all other state and federal laws, board policies and school rules.

The **Student Device User Guide** provides students and families with information about the general use of technology, ownership of the BCS 1:1 device, rights and responsibilities for possession of the device, care of the BCS 1:1 device, its educational use, and digital citizenship.

Digital Citizenship

Digital Citizenship refers to the use of digital and information literacy skills to interact with society.

- T** - Take care of your equipment
- H** - Hide your password
- I** - Internet safety
- N** - Netiquette
- K** - Kind

Student Email Account - Google

- Google Apps accounts are created for school related assignments only.
- Student email accounts are monitored.
- Student log-in information will be distributed by teachers and the media center.
- Students are not to share their password with any other student.

1:1 Student Devices

Student Responsibilities:

- Bring a charged device to school each day prepared to learn.
- Always keep the device with you and/or in a secure location.
- Do not apply stickers to, alter the appearance of, or otherwise modify the device.
- Only clean the screen with a soft anti-static cloth.
- Adhere to BCS policies: Technology Use - 3225/4312/7320 and Internet Safety - 3226/4205
- Always transport the device inside a backpack or sleeve.
- Additional requirements as they become necessary.

MEDICATION

If your student has a prescription drug or over the counter drug to be taken during school hours, please read, sign, have a licensed health care provider sign and return the Parental Request to Administer Medication form to the Main Office. This form can be obtained in the Main Office. The office does not keep any medication other than that which is brought from home along with the proper paperwork from the parent. Office staff will not accept medication without the proper paperwork filled out.

MESSAGES

The office staff are unable to deliver messages to students, except in cases of emergency. We understand that parents may feel the need to get in touch with students during the school day. However, we cannot stop instruction of students in class for any reason other than an emergency.

The nature of the emergency must be specified to a school official before classroom activities will be interrupted. Under normal circumstances, emergencies exist when conditions arise that make it impossible or impractical to delay the message until later.

ARRANGEMENTS FOR ROUTINE MATTERS, such as rides to and from school, house keys, delivery and pick up, meeting places, etc. SHOULD BE MADE BEFORE STUDENTS ARRIVE AT SCHOOL.

OPT-OUT PROCEDURE REGARDING USE OF STUDENT LIKENESS

Buncombe County Schools does not require parent permission for students to be photographed, videotaped, and/or interviewed by system employees or media on routine school topics, activities for public information, awards and honors, instructional and promotional purposes.

Parent permission must be given, however, to photograph, videotape and/or interview children with physical or mental disabilities if they will be identified as children with physical or mental disabilities. Parents, guardians, or eligible students may request not to be photographed, videotaped and/or interviewed by notifying the school in writing within ten (10) days of publication of this policy in the Student Code of Conduct (or by the 10th day of the start of school each year).

PHYSICAL EDUCATION

PE uniforms are for sale at the beginning of the school year. Students are required to dress out each day which includes wearing shorts, shirt, socks, and athletic shoes.

Students are required to participate in PE classes. If there are medical problems, students are expected to participate within the limits of that problem and to contribute to the class. A doctor's note should be submitted for any medical reasons for nonparticipation in PE. The doctor's note needs to explain what you students can and cannot do. Every effort is made to help students be successful in Physical Education.

PUBLIC DISPLAYS OF AFFECTION

The school setting is not an appropriate place for public displays of affection. Students may not hold hands, kiss, hug, etc., while on campus, on the bus, or any other school sponsored activity.

SCHOOL RESOURCE OFFICER (SRO)

Valley Springs Middle School is fortunate to have the service of a School Resource Office (SRO). Though this position is an arm of the Buncombe County Sheriff's Department, Valley Springs consider the SRO to be a vital part of the school's resources in helping students solve problems. The SRO role is to help students become better problem solvers and help maintain student safety. They are in a unique situation due to their dual roles. When an SRO counsel students, this in no way means students are in legal jeopardy. If a situation necessitates legal action by the SRO, parents will be contacted.

SELLING ITEMS

Students are not to sell or trade items to other students during school hours. The only exceptions are those items that receive prior approval by administration for fundraisers within the school.

STUDENT-TO-STUDENT RELATIONSHIPS

Students have the same **rights, privileges, and responsibilities** as all other students, regardless of their grade level, sex, race, family, color, national origin, creed, socio-economics, or handicap(s). Students can expect to be treated fairly by teachers and administrators.

Constant harassment of other students or acts of intentional harm is considered a serious offense.

Students need not fear another student or group(s) of students for any reason. Students have no right which allows them to threaten, harass, intimidate, or annoy students in any manner. If a student encounters this, they are to report the event to the nearest teacher, counselor, or administrator. Valley Springs will make every attempt to stop this behavior.

TOBACCO PRODUCTS

The use of tobacco products on school grounds, in school buildings and facilities, on school property or at school-related or school-sponsored events is prohibited. The School Board acknowledges that adult employees and visitors serve as role models for students.

1. **Enforcement for Students**

Consequences for students engaging in the prohibited Behavior may be assigned OSS, bus suspension, and/or exclusion from extracurricular activities.

2. **Enforcement for Visitors**

Visitors using tobacco products will be asked to refrain while on school property or leave the premises. If they refuse, law enforcement officers will be contacted to escort the visitor off campus and the visitor will be charged with trespassing and banned from returning.

TEXTBOOKS

Should a textbook be lost, destroyed, or damaged, students will be required to pay a pro-rata share of the full purchase price of that textbook. A new textbook will not be issued until the fees have paid for the lost or damaged book. **Students will also be required to pay a pro-rata share of the full purchase price whenever theft is claimed. Textbook care is a student's responsibility.** No textbooks will be issued until the student has paid all outstanding textbook debts for the previous year.

VISITATION

Parents/guardians are encouraged to visit our school. The more parents/guardians know about us, the more they will understand our daily routine, expectations, and experiences. Please call first so arrangements for a visit can be made.

Students' friends are not allowed to visit during the school day for any reason. We value our instructional time and find it is disrupted by students' visitors. This also applies to the time immediately before school and after school.

VOLUNTEER PROGRAM

The Volunteer Program is a vital part in helping our school prepare each student for their tomorrow. In previous years, over 1500 hours were supplied by volunteers. The Valley Springs Middle School PTA organizes volunteers and works closely with each team of teachers as needs arise. All volunteers **MUST** complete and be cleared by the

Volunteer Tracker System. The Head Secretary can assist with this.

WITHDRAWAL FROM SCHOOL

You are asked to withdraw formally from school if your student is moving elsewhere. This will enable the school to collect books and other school property and send a student's school records promptly to their new school.

YEARBOOKS

Our Yearbook Staff works hard each year to publish our yearbook. This publication contains pictures of each student. It also has many pictures of our students in club groups, teams, and candid shots.

The yearbook is sold on a pre-sale basis. Students place their order online only for the yearbook by paying an advertised amount before the book is published. This pre-sale tells the Yearbook Staff exactly how many copies need to be printed. Very few extras are ordered. It is important that students place orders for their individual copies of the yearbook when they are pre-sold. The yearbook is distributed in late spring.

Infraction	1st Offense	2nd Offense	3rd Offense
Aggressive Language/Gestures/Behavior Toward Other Student	1 Days ISS	2 Days ISS	3 Days OSS
Aggressive language/Gestures/Behavior Toward Faculty	2 Days OSS	5 Days OSS	10 Days OSS & Possible Hearing Board

Firearm Possession	Immediate Hearing Board & Legal Action		

- LTS = Long Term Suspension
- HB = Hearing Board

Note:

- Students who are absent on a day which they are assigned ISS will make up their ISS upon returning to school. Students sent home from ISS due to misbehavior will make up their ISS upon returning.
- OSS is not an option when assigned ISS.
- ISS assignment will be all day unless a conference is held with the teacher, administrator, and student to discuss alternative arrangements.
- There are special rules surrounding the suspension of students with IEPs and 504s.

*Any student reported by anyone for bullying will automatically be referred to the counseling office. The counseling office will then follow appropriate procedures for the investigation and subsequent handling of the behavior in question.

Administration Can Alter Any of the Above Consequences
